HERRERA STILL IN  
FIGHTING GAMEMexican Makes Good Showing With  
Yanger, and Fights to a  
Draw.

CHICAGO, March 14.—Benny Yanger of this city and Aurelio Herrera fought a six-round draw before the American Athletic club tonight. The fight was fast for the six rounds. Both men scored knockdowns in the third round, when Herrera put Yanger to the floor with a hard left on the ear, and Yanger, who rose instantly, sent Herrera down with a left hook to the jaw. Herrera depended on a left hook for the greater part of his fighting, while Yanger used straight lefts to the head and a right to the body for his work.

BRITT AND CORBETT  
AGREE TO DIVIDE

SAN FRANCISCO, March 14.—Britt and Corbett have made a new agreement for the division of the purse in their coming fight. The winner will take 65 per cent of the proceeds, while the loser will receive the remaining 35 per cent. Under the old compact Corbett was to have 60 per cent if he won, but if he lost he was to have 50 per cent. The champion is so confident of winning that he is more than pleased with the new deal. He figures he will gain 5 per cent by the change. Britt, in turn, is well satisfied, as he is also confident. He thinks the new agreement will give him 15 per cent more than the old one.

WEATHER WAS FINE,  
BUT TRACK MUDDY

SAN FRANCISCO, March 14.—Fine weather prevailed at Oakland but the track today was muddy. Close finishes marked three of the races. The last event, at six and a half furlongs, for 3-year-olds, aroused the most excitement, when Sailor Knot and Celebrant fought it out all through the final furlong, and finally landed Sailor Knot first by a nose. Solanus, the favorite, was a close third. Dr. Leggo, a 15 to 1 shot, proved a surprise by taking the 2-year-old race, beating Bill Short a neck. Bob Ragon, the favorite, stopped badly. Galant was much the best in the fifth and won handily from Mr. Farnum, a 25 to 1 chance. In addition to winning the 2-year-old race, Charles McCafferty took a purse with Chickadee. The mare was bid up from \$50 to \$800 by S. S. Kaffour, and he secured her at that figure. He also advanced the price of Dr. Leggo from \$500 to \$800, but he was not successful.

At the sale of horses owned by Burns & Waterhouse today, Rockaway went to J. B. Jennings for \$400. Other sales were: Humo, \$200; C. T. Patterson, Toledo, \$200. E. MEXICAN PETE  
IN TROUBLE AGAIN

The Happy Hooligan of the Prize  
Ring in the Penitentiary for a  
Year in Kansas.

A communication was received yesterday from Mexican Pete Everett, who has the reputation of getting into more trouble than any other pugilist that ever lived, saying that he has just been sentenced to one year in the United States prison at Leavenworth, Kan., for prize-fighting. It will be remembered that some time ago Pete left Zion and went down East and tried to get into some trouble with Jeffries, but Jeff wouldn't listen to him, and so Pete became very angry.  
Disappointed in his desires for a championship contest, Pete went on a hunt for smaller game, and finally landed in Oklahoma last November. Here he was pitted against a fellow pug named Tracy. After the fight he was arrested and has been held in custody ever since. But he didn't mind this so much as to think that he has to remain in jail for another whole year. However, he seems to find some little consolation in the fact that he is the only living pugilist who has the honor of being sentenced to prison for practicing his profession.

SALT PALACE TRACK  
ON THE BLACK LIST

The Salt Palace saucer track is on the black list of the National Cycling association and cannot be used for professional racing this season until its troubles are cleared up.

The ban is placed upon the track because the riders who participated in the six-day race at the close of last season have not been paid their prize money, according to agreement.

It will be remembered that the management called the races off after the second night, but that the riders kept right on cycling, and the management of the track stands against the track itself, so that a change in the management does not offer any solution of the difficulty.

The amount due the riders who laid their claims before the national association is about \$500.

THORNTON STAKE RACE  
AT OAKLAND SATURDAY

SAN FRANCISCO, March 14.—The Thornton stakes at four miles will be decided at Oakland next Saturday. This is one of the famous turf fixtures of the country and attracts much attention among the lovers of distance races. There are forty-five eligibles for the stakes, which will have a value of over \$3500. A good field is expected.

M. J. Daly plans to start Claude. Among other eligibles are Rio Shannon, Veteran, Horatius, Outburst, Nones, The Way, Expedient and Baffled.

Some high class performers have been returned winners of the Thornton, among them Star Ruby, The Bachelor, Judge Denny and Schiller. Rio Shannon won it last year.

We have moved to No. 12 West Third South. We'll be glad to meet our old friends and customers in our new location. On account of cheap rent we will be able to give our patrons the benefit of ease, and will sell good goods cheaper than ever.

REILLY'S BOYS  
READY FOR PRACTICE

Announcing that the Spokane baseball team will report for duty in Lewiston March 25th, the Spokesman-Review says: "Exhibition games are to be played by the Indians with the Moscow college and city teams and other teams from nearby towns."

"The Indians will work out at Lewiston until April 2nd, when they will return to Spokane and play two exhibition games before the beginning of the league season, April 25th. One game will be played with the Elks' team and the other with the team from Gonzaga college."

The following Tuesday, Walter Wilmet and his Butte aggregation will open the season here with the first league game. Preparations are being made for a big celebration for the opening day of the baseball season. There will be a parade, a new band, a band concert and some other features and attractions not yet decided upon.

Reilly yesterday received the contract of the pitcher, which he offered to McCloskey after Damann was returned. With Bowman secured, Reilly has eight pitchers to start the season with. He will have eighteen men to go into training at Lewiston, but after the first month this number will be cut down to fourteen to conform to the rules of the National association.

There are three or four youngsters to be worked out, and Reilly has an idea that at least one of them will prove worth keeping. It is through this he is able to put a stronger training force in the field."

RIFLE SHOOT DATE  
FIXED IN NEW YORK

NEW YORK, March 14.—Organized recently for the purpose of fostering rifle and pistol practice by members of the National Guard and civilians of this and other States, the New York State Rifle association has decided to hold its first annual shooting tournament at Creedmoor from September 12th to 17th next.

Col. N. B. Thurston, ordinance officer on the staff of Gen. Roe, and Lieut. K. K. Casey of the Seventy-first regiment, have been appointed a committee to prepare a suitable programme of matches, which will be announced at an early date. By the courtesy of the State authorities Creedmoor range will be opened for the practice of those interested at certain specified times.

Members of societies and clubs may join as individuals and be identified in the membership list as of such society or club.

BUTTE BALL TEAM  
WILL CHANGE HANDS

Manager Walter Wilmet of Butte and J. Lucas of Crookston, Minn., have bought the Butte ball team. The two will conduct the club as owners, and Wilmet will continue as manager and will play in the backyard positions.

The club has a stock company, controlled by Manager Wharton of the street railway for Senator W. A. Clark. Charles H. Lane, although president of the company, held but little stock. A few shares were sold in Butte the first year, but were later controlled by the Clark interests.

The probable retirement of President Lane from the team will mean the loss of one of the most popular magnates in any Western league. "Charley," as he is known all through the intermountain and coast country, has always stood for clean baseball, and has done much to put the game on a paying basis. His retirement will prove a serious loss to President Lucas of the P. N. L.

MORMON LEADERS  
HOME FROM WASHINGTON

Presidents Joseph F. Smith and Francis M. Lyman and Apostle Hyrum M. Smith of the Mormon church returned from Washington yesterday. The presidents and apostle refused to discuss the Smoot case and will not venture an opinion as to the result of the investigation that is being made by the United States Senate. The party stopped off en route at Omaha, Neb., and visited the little town of Zion, considered memorable in the pioneer days of Mormonism. The place was an outfitting station during the Mormon migration to this valley.

HUGH RIPPETO WILL  
MANAGE ROAD RACE

Big Decoration Day Cycling Event  
Now Attracting Attention of  
Amateur Riders.

It was announced yesterday that Hugh Rippeto has been appointed by the local cycle dealers to manage the annual Decoration day road race that is run between this city and Farmington. Rippeto will begin work immediately and expects within the next two weeks to have the best list of prizes ever offered for the big amateur event.

The Decoration day road race is perhaps the greatest cycling event of the year in this State. It is in this race that novices and amateurs hold full sway, all professional riders being barred. Every season numerous young riders test their speed in the big race on May 30th, and if any way several of them usually enter the speedier contests on the cycle track.

It is expected that not less than 100 novices and amateurs will start in the race this year. The men will be handicapped so as to give the riders an even break, or as nearly so as possible. Those who have never ridden in a race before will be given a liberal time allowance by the starter, so as to give them an equal chance with riders who have competed before.

It is a fact that most of the past Decoration day races have been won by men who never before entered in a contest. Each year new material develops and some of them make good records afterward in the races at the Salt Palace. Many of the fastest amateur men at the saucer track during the past few years have begun their racing career in the opening road race.

The course is the same that has been used in previous years. The riders start near Fourth West and Fifth North streets and finish at Farmington, making a distance of about eighteen miles.

Rippeto will have full charge of the affair and will no doubt give excellent satisfaction. He has had considerable experience in the cycling game, and ought to make the race one of the most successful ever held here.

The prize list this year will be a big one. The cycle dealers and merchants have contributed liberally in the past, owing to the fact that the race is strictly an amateur affair, and the list will be large enough to give everybody a chance.

The entry list will not be opened for some weeks yet, as the manager will be busy securing a suitable assortment of rewards for the lucky riders.

DEADLY QUARREL

BUTTE, Mont., March 14.—A special to the Miner from Havre, Mont., says: Quartermaster Sergt. McCants shot and fatally wounded Thomas E. Lewis, a charged soldier, on the road between Havre and Fort Assiniboine. It is alleged the two men had a quarrel and that Lewis drew a gun and fired at McCants' companion, whereupon McCants opened fire upon Lewis, three bullets taking effect.
